## HSU SA/NT WELCOMES ANNOUNCEMENT THAT SA MEDICAL IMAGING WILL REMAIN IN PUBLIC OWNERSHIP

Health Services Union South Australia/Northern Territory (HSU SA/NT) welcomes the Government of South Australia's announcement that SA Medical Imaging (SAMI) will remain in public ownership as a single entity.

### Quotes attributable to HSU National Secretary, Lloyd Williams

"HSU is pleased that SAMI will remain in public ownership, this is a great outcome for our hardworking allied health professional members who deliver the highest quality care through their work with SAMI."

"This outcome will maintain the benchmark standard in safety and practice across the state and ensure the first-class services our members deliver can remain cost effective for the public."

"It is important to maintain a balance between public and private health services and we appreciate the SA Government's recognition of this through this announcement."
